About - THE ART OF JUSTICE CONFERENCE
Justice is the act that fulfills the right; it is "the habit," to quote Aquinas, " whereby a man renders to each one his due with constant and perpetual will." It follows that, unless man can ground his claim to, in the American founders' language, "inalienable rights," justice is nonsense.

Russell Kirk and the Art of Justice - Intercollegiate ... Social justice art, and arts for social justice, encompasses a wide range of visual and performing art that aim to raise critical consciousness, build community, and motivate individuals to promote social change. Art has been used as a means to record history, shape culture, cultivate imagination, and harness individual and social transformation. It can not only be a means to generate awareness, but it can also be a catalyst to engage community members to take action around a social issue.

Justice, in depictions then and ever since, is blind, holding aloft in one hand a set of scales and, in the other, a sword. Today, with the adjective social in front of justice, the first thing Justice would do is take that sword, slice off the blindfold and sweep the thumbs of systemic power from the scales, demanding not only to see, but to be seen, not as others would see her, but as she is.
